

# OUR TOWN STORY

THE NATION'S LOCAL HISTORY

OURTOWNSTORY.CO.UK

Wimborne is a test bed for a new local history and image sharing project called Our Town Story, which aims to showcase people's old town/village photos that might not otherwise see the light of day in the history books. There's also a local history forum for every town and village in the UK.

We are establishing Our Town Story as a not-for-profit community interest company; long term, we are aiming to develop an app to help carers use the images in reminiscence therapy for dementia sufferers.

As a native of Wimborne, it's one of the places we're concentrating on as we get the site up and running and tested, and there are currently 75 free lifetime memberships on offer for anyone who thinks they might like to contribute to the image galleries or forums.

To join in - and create a free lifetime subscription - visit [ourtownstory.co.uk](http://ourtownstory.co.uk) and click 'create account' - you need to have some old town photos or stories to share!

If we challenge you (so we know you're from Wimborne), just tell us where you saw this poster, or use the code 'Quarterjack'!

Thank you for your help, and we hope you enjoy Our Town Story!
